The quality of Peter Lehmann Wines are a testament to our relationships, allowing us access to the region's finest grapes.

Hill & Valley wines showcase the great diversity of the regions surrounding our winery from the cooler Adelaide Hills, to the elevated Eden Valley vineyards, to those situated on the Barossa Valley floor. Sensitive winemaking techniques allow the wines to express a sense of place and character.

REGION

Eden Valley, South Australia

VINTAGE CONDITIONS

Low rainfall throughout the growing season, several frost events at budburst and a windy flowering period saw smaller crops throughout the Eden Valley. The end of summer returned to warm, steady daytime conditions combined with cooler nights which allowed even ripening, great acid retention and intense flavour development.

WINEMAKING & MATURATION

Harvested in the cool of the night, 100% solids free run juice was drained immediately into 80% new French oak hogsheads for natural fermentation. The wine was kept on lees with occasional lees stirring for eight months before being clarified and bottled.

COLOUR

Brilliant pale straw green with light gold hue.

NOSE/ AROMA

The nose has lifted melon and nectarine, balanced by toasted almonds and some charry oak in the background.

PALATE

Medium palate showing fresh grapefruit and citrus characters rounded out by gentle toast and vanilla flavours derived from oak maturation.
