LIKE NO OTHER

2015 WIGAN EDEN VALLEY RIESLING

Founded in 1979, Peter Lehmann Wines brings unmatched diversity, uniqueness and quality from more than 800 hand-tended vineyards across the length and breadth of all 14 Barossa sub-regions. The quality of Peter Lehmann Wines are a testament to our relationships, allowing us access to the region's finest grapes.

The Masters wines are named after a person whom, or event that, has played an intrinsic role in the Peter Lehmann story. Crafted from the classic Barossa varietals, the wines are released with 5 years of bottle age and will continue to age gracefully for many years.

Andrew Wigan was mentored by Peter Lehmann and was at his side when the winery was founded in 1979. He was Chief Winemaker from 1980 - 2014. Peter Lehmann's reputation for Barossa Shiraz was soon complemented by Andrew's passion for white wines. His refinement of the whites was revolutionary and his contribution to the Peter Lehmann story was recognised in 2003 with the re-naming of the revered 'Reserve' Riesling as 'Wigan' Riesling.

REGION

Eden Valley, South Australia.

VINTAGE CONDITIONS

A traditionally wet winter, mild Spring and excellent fruit set provided a fantastic start to the 2015 vintage. The 2015 harvest was an early vintage following a cool and dry growing season, however a timely rainfall event in January was a much needed saving grace. Mild weather from February to April set up our best Eden Valley Riesling vineyards to bear fruit of quality winemakers usually can only dream about.

WINEMAKING & MATURATION

The grapes were picked early and cold fermented in stainless steel tanks. Following a two-week fermentation period, the wine was clarified and bottled immediately before being cellared at the winery for five years prior to release.

COLOUR

Brilliant pale green.

NOSE/AROMA

Still in its infancy, this wine presents some toast characters amongst beautiful lime citrus and floral notes.

PALATE

Classic intense lime cordial flavours carry through resonant of a Eden Valley Riesling and complemented by lemon rind and crisp pure acidity.
